

Area F Guidelines: Information Technology

Eighteen (18) semester hours in lower division (1000- or 2000- level) courses related to Information Technology and/or prerequisite to higher level courses.

	6–8 hours
	2–3 hours
Finite Math, Discrete Math, Calculus, or Statistics	2–4 hours
Selected from Information Technology, Mathematics, Computer Science, or an IT Application Area	3–8 hours

The above requirements are consistent with:

- ACM SIGIT's draft accreditation guidelines
- Proposed WebBSIT Area F
- Degrees offered by most USG IT programs
