DETERMINATION OF STATUS – EMPLOYEE VS. INDEPENDENT CONTRACTOR

6

Employee:

Employee: An individual who is hired to perform a specific job or task for a fixed period of time. The employee is subject to the employer's control and direction, and the employer is responsible for providing the employee with the necessary tools, materials, and equipment to perform the job. The employee is also entitled to benefits such as health insurance, dental insurance, and a 401(k) plan.

Employer: The individual or organization that hires the employee and is responsible for providing the employee with the necessary tools, materials, and equipment to perform the job. The employer is also responsible for providing the employee with benefits such as health insurance, dental insurance, and a 401(k) plan.

Independent Contractor: An individual who is hired to perform a specific job or task for a fixed period of time. The independent contractor is not subject to the employer's control and direction, and the employer is not responsible for providing the independent contractor with the necessary tools, materials, and equipment to perform the job. The independent contractor is also not entitled to benefits such as health insurance, dental insurance, and a 401(k) plan.
